What is the All Saints' Episcopal Church Endowment Fund?

Established in 1993, the Endowment Fund has provided opportunities for members and friends to make charitable gifts to All Saints' Episcopal Church that are a permanent endowment of financial support for the Church and a living memorial to the donor.

The funds are intended for purposes that are above and beyond the Church's established programs funded through the annual operating budget of the Church or the regular giving of our members.

A permanent endowment provides a perpetual gift of income. The original gift is never spent, allowing the earnings that the endowment gift produces to be used for ministry and missions in perpetuity.

*All that we are, all that we have,
comes from and will one day
return to God*

Jesus often talked about our relationship to the "things" we possess. In Luke 12:13-21 Jesus is asked about dividing a family's inheritance. He replied with a story. A rich man decides to build a new barn to hold his bumper crop, then to eat, drink, and be merry. But, God said to him, "Fool! This night your soul is required of you, and the things you have prepared whose will they be?" Jesus says, "he who lays up treasure for himself, and is not rich toward God."

We are stewards of God's bounty. Caretakers. For a brief period we are given time, energy, and resources. What we do with these gifts ultimately defines the character of our life and the depth of our spiritual understanding.
